Important information about your flight

Visit www.tripcase.com to check your flight times. If you don't have an account, you'll have to create one. Then use your last name and booking number to log in.

Passport and visa/transit visa

Remember to take your passport and any visas or transit visas you need with you when you travel. If you have not already done so, you should check the rules that apply for passports and visas/transit visas for the countries you are visiting, both with the embassy and your operating airline. For full information, we recommend you contact the Ministry of Foreign Affairs in your country.

Baggage Information

The indicated baggage allowed for each flight is usually the maximum allowed per airline. You should check the exact baggage terms and conditions for the airlines in your order.

Important! When you purchase hold baggage on flights within North America, you receive a free check-in service. To avoid further fees, we recommend that you print out the boarding card before you travel to the airport.

Important communication: We're looking to make your travel less stressful and will send emails with information relevant for your trip, including for example offers to add baggage or book seating at attractive prices. The offers will only be sent prior to your trip. **If you do not want to receive these emails, click here.**

As a traveller, you are responsible for:

- Checking for any timetable changes for both the outward and homeward journeys. Sometime airlines may change their times and it is your responsibility to stay updated.
- Checking that all the information in your booking is accurate. If anything is incorrect, contact us as soon as possible.
- Bringing a valid passport and any visa/transit visa that you may have when you travel.
- Making sure you know about the exact luggage terms both for hand luggage and checked luggage directly from the relevant airline.

You'll soon be on your way! Before that, four questions:

Have you checked your spam folder? We send all our communications by email, so keep a careful eye on your spam folder to make sure that our emails don't end up there.

Have you booked a hotel? If so, you must print out that confirmation along with your hotel voucher as well as this confirmation.

Do you want to cancel your booking or is there something wrong in this confirmation? If your departure is before our next telephone time, please contact the airline, hotel provider or rental car provider directly.

Have you booked a round-trip ticket or one-way ticket with several segments? Make sure to use them in sequence. If not, many airlines will refuse transport on subsequent segments (i.e., failure to use one segment of a journey could invalidate the rest of the ticket). For round-trip tickets, not taking your outbound flight may result in your inbound flight being cancelled by the airline.

Mytrip is shown on your bank statement as recipient of payment. Mytrip cannot accept responsibility for any costs in connection with unplanned overnight stays, transport in the event of a change of airport or similar situations. You can find travel conditions and FAQs at il.mytrip.com

Mytrip wishes you a pleasant trip!
